AIDB Conference 2010 - 26-27 May 2010 - Genoa

The annual Conference of the Italian Association of Patent Documentalists will be held in Genoa at the National Institute of Material Physics, part of the National Research Council (CNR) on 26/27 May 2010.

The provisional theme of this edition is "Patent information for the technology and research activity".

The provisional programme is:

- May 26: workshops of the vending providers (morning), meeting of AIDB members (afternoon)
- May 27: the Conference (full day)

To be updated about the programme and organization details: [http://www.aidb.it](http://www.aidb.it).
