

Training Opportunities (onsite workshops and courses)

Contributors are encouraged to add specific training opportunities to the table on this page. Add new entries in chronological order. Entries whose dates have past may be deleted or may be moved to an archival area depending on pending policies.

Editing access to this page is limited to current PIUG members. Non-members should have a member from their organization post the page for them. As a second option, contact the PIUG webmaster at [webmaster @ piug.org](mailto:webmaster@piug.org).
