

WIPO Vacancy Announcement for consultant

The purpose of the vacancy announcement is to identify a consultant who would prepare a feasibility study on a certification scheme for staff of Technology and Innovation Support Centers (TISCs).

We are writing to your association in particular due to its experience in establishing certification programs closely related to the work of TISCs.

The vacancy announcement, including background information, expected deliverables, and applicant requirements, can be found at: The URL for the vacancy announcement is: https://wipo.taleo.net/careersection/wp_03/jobdetail.ftl?job=19200

More information about TISCs can be found at: <http://www.wipo.int/tisc>

The deadline for applications is **August 9, 2019 (EOB)**.
