

PIUG Antitrust Policy

Patent Information Users Group Incorporated (PIUG) is a non-profit organization whose primary purpose is to improve the business conditions for, maintain and improve the qualifications of, and promote a common business interest for patent information professionals. PIUG maintains a strong policy of strict compliance with federal and state antitrust laws. Antitrust laws prohibit unlawful combinations or agreements with competitors that are likely to injure competition. PIUG seeks to avoid even the appearance of impropriety as it relates to antitrust laws. In all PIUG activities, all members, including officers and directors, shall adhere to federal and state antitrust laws.
