

Forum - Biotech Meetings

This discussion forum is intended to support biotech searchers attending or interested in PIUG Biotech Meetings. See the PIUG Wiki and PIUG web site for details of upcoming meetings.

Topics could include travel info or suggestions, roommate requests, networking opportunities or requests, or anything to do with biotech searching, particularly relating to PIUG Biotech meetings. The PIUG Discussion Forum (PIUG-DF) remains the principal forum for items of interest to the general PIUG community. Meeting papers will be made available in the [Members-Only Resources](#) section, the announcement of which will be made via the PIUG-DF or PIUG Blog.
